**Subject:** OR CZARA Settlement Agreement Letter - Legal Review Requested

Stephen,

Attached please find a draft 2.5-page letter and a draft 4.5-page enclosure to this letter that needs your legal review. The letter is required by Dec. 31 under the terms of the settlement agreement. In schedule/logistics discussions, we realized it would be prudent to release the letter by mid-December, given the schedules of various critical reviewers, not to mention the signatories. I believe that Region 10 and NOAA are targeting a Dec. 14 release date.

Region 10's Jayne Carlin is requesting to receive all edits/comments on these documents by COB December 5, if possible. These docs are undergoing concurrent legal review by NOAA and Region 10 (via Kelly Gable, who has provided a number of edits/comments already). It is my understanding that DOJ's Kris Swanson is reviewing these, as well. Please send your suggested edits and comments directly, and please do copy me.

Thanks in advance for your assistance, and if you have any questions, please let me know (although for most forestry issues, I am likely to defer to Region 10's Dave Powers).
